WINTER CAMP AT WISDOM WAREHOUSE · LEARNING CAROUSEL

Imagine it. Build it.
Take it home.

Two weeks of making something new, every day

WEEK 1: 14 TO 18 DEC · WEEK 2: 28 DEC TO 1 JAN · WISDOM WAREHOUSE

Children explore, design and build through photography, STEM, art, enterprising and movement, and finish each day with something they've made and can proudly take home.

2 weeks	9am to 2pm	Ages 4 to 12	Wisdom Warehouse
14 to 18 Dec 28 Dec to 1 Jan	Monday to Friday	Activities adapted by age	KinSpace, 13D Street Al Quoz 1, Dubai

THE ETI LEARNING CAROUSEL

What they'll *explore*

Five learning areas, one connected experience. Children rotate through them every day, and what they learn in one area feeds into the others.

STEM
explore, design, innovate

Science, woodwork, technology, engineering and maths through practical experiments, construction challenges and problem-solving.

Art
imagine and create

Artistic techniques, hands-on projects, design and visual storytelling.

Photography
capture and communicate

Using a camera, exploring angles, understanding light and capturing ideas through images.

Enterprising
think, create, build

How ideas become products, with basic costs, pricing and money management, and the confidence to present their creations.

Movement
play, connect, energise

Daily activities for wellbeing, coordination and teamwork, balancing creative learning with active play.

TWO WEEKS, YOUR CHOICE

Join for one week or *both*

WEEK 1

14 to 18 December

Monday to Friday · 9am to 2pm

WEEK 2

28 December to 1 January

Monday to Friday · 9am to 2pm

DAILY OUTPUTS

Something to show, *every day*

Every day ends with a defined output. By the end of camp, children have a portfolio that shows how far they've come.

- Artwork
- STEM models
- Prototypes
- Photo collections
- Branded products
- Simple business ideas
- Presentations

A TYPICAL DAY

The same gentle *rhythm*

9:00 to 9:30	Arrival, registration and morning circle
9:30 to 10:30	Learning Carousel: creative session 1
10:30 to 10:45	Snack break
10:45 to 11:45	Learning Carousel: creative session 2
11:45 to 12:15	Movement and active play
12:15 to 1:00	Lunch
1:00 to 2:00	Enterprising and daily output

SAFETY AND CARE

In *safe* hands

Qualified educators
Every session is designed and led by qualified educators working to KHDA-approved standards.

Safeguarding first
Level 3 and Designated Safeguarding Lead training across the ETI team.

WHAT THEY TAKE HOME

1. Their own creations and daily projects
2. A first taste of STEM, engineering and design
3. Photography and money skills
4. More confidence presenting and working in a team
